

Laudato Si and Green Entrepreneurship:

Case Study – Mundell & Associates, Indianapolis, USA
The Economy of Communion Network

“Moreover, when our hearts are authentically open to universal communion, this sense of fraternity excludes nothing and no one.”

Laudato Si

Vision

To build a more just, humane and sustainable market economy and society in which “No one is in need.”

Environmental Movies

Eastside Creation Care Network

Presents

2015 Spring Film Series

Friday, April 17, 2015 at 7:00 p.m.

Symphony of the Soil examines the human relationship with soil, the use and misuse of soil in agriculture, deforestation and development, and the latest scientific research on soil's key role as we face the most challenging environmental issues of our time. It features esteemed scientists and working farmers and ranchers, filmed on four continents.

"I witnessed something that I had previously only read in books: how the workplace can become the ground for the fulfillment of the human being."
Antonella, Italy

"I knew what the EoC was about, but in these two months I experienced it first hand: here, ideas become action."
Nicolas, Argentina
